

# SPPr Package Example (Version 1.0)

Baptiste Augu  

November 29, 2008

## 1 Introduction

This document provides examples of using the SPPr package in R.

```
> library(SPPr)
> ls("package:SPPr")

[1] "angleScan"      "criticalEdge"
[3] "data2norm"      "ext2int"
[5] "fitModel"       "objF"
[7] "pIni"           "plotData"
[9] "plotModel"      "reflModel"
[11] "spp.model"      "transmission"
[13] "updateParameters"
```
